

GUESS MY JOB

By Mrs. Lawson

I do so many things that it's amazing. I can help you in many ways. Above all, I protect you. I can direct traffic. I can find the bad guys and arrest them. I wear a blue uniform and I drive a black and white car. I am a **police officer** .

I come by your house 5 or 6 days a week. I bring you letters, magazines, and packages. I usually put these things in a special box. I drive a little car or I ride a motorcycle. Sometimes I even walk. I am a postman or a mail carrier.

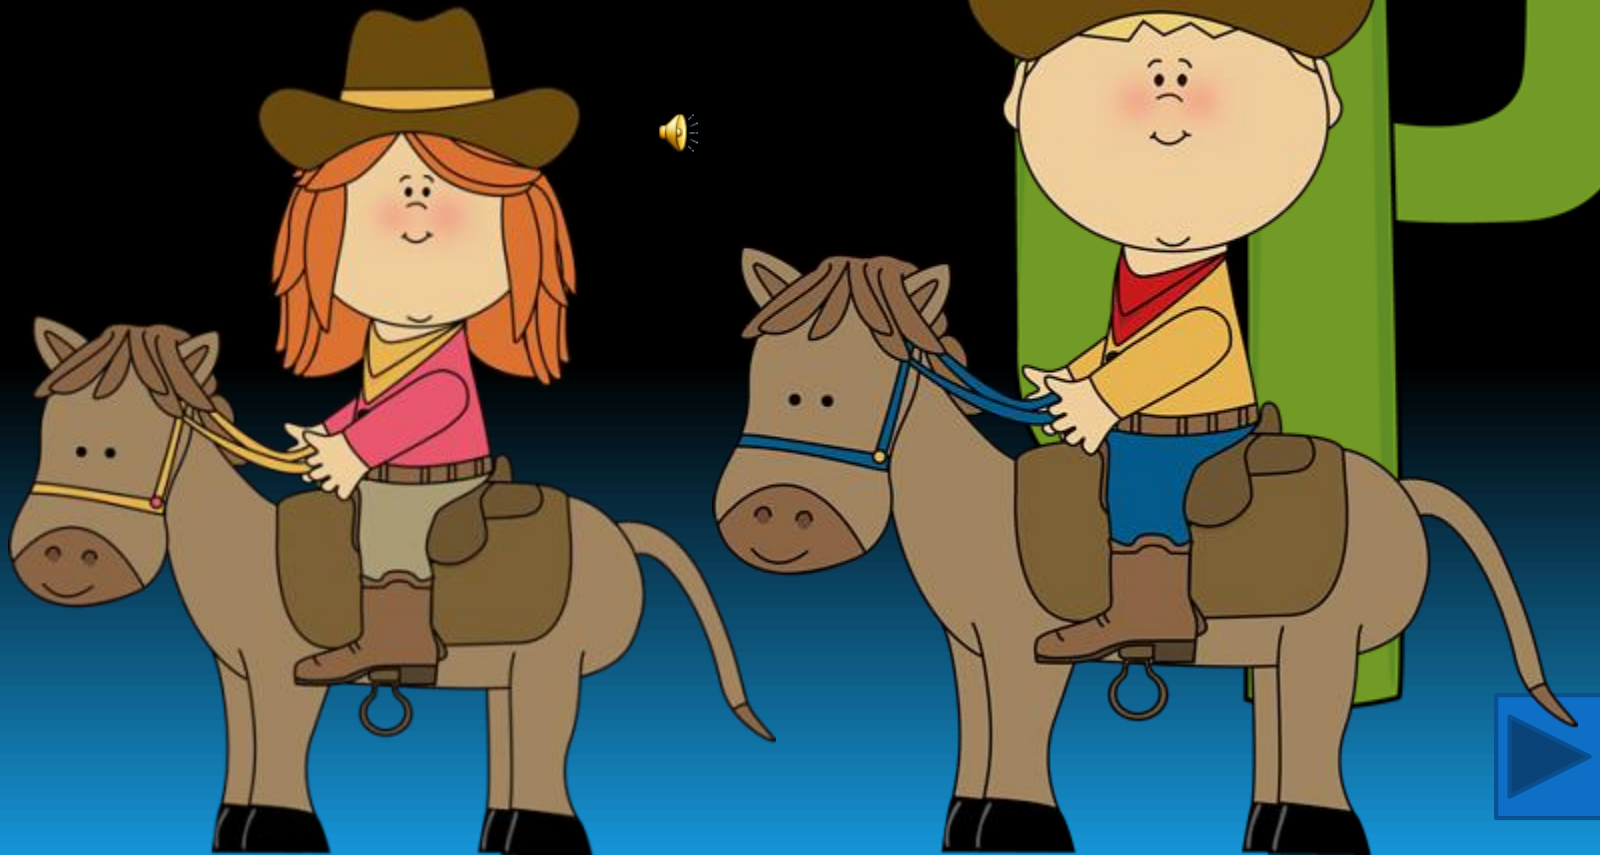

We are in the army. We are wearing our camouflage uniforms so that the enemy cannot see us. Our job is to protect our country. Sometimes we travel in helicopters. We always obey orders. We are soldiers.

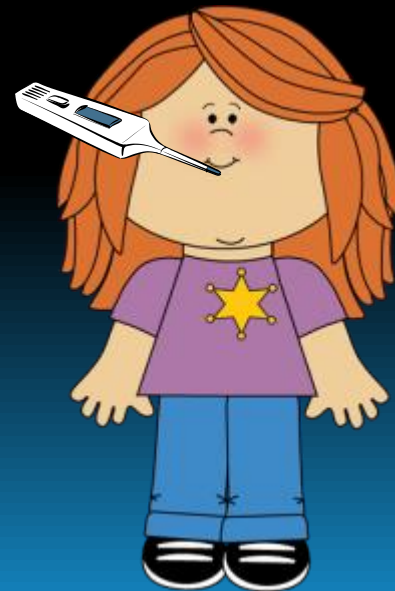

We live in the west. We ride horses. We take care of cattle and often take them to new pastures. We herd them too. We also tame horses. We live on a ranch. We are cowboys and cowgirls.

We work with animals. But we're not vets. We also grow crops like corn and wheat. We provide you with all the food you eat. We live in the country. We have a house and a barn and lots of land. We are farmers.
